Date Revised:

<p><u>239.1.100 Purpose</u> The School Board believes that students should have an educational environment free from unnecessary disruptions, distractions and threats. The School Board has determined that the presence of personal electronic devices in schools have the potential to distract students from their primary purpose of receiving education and otherwise disrupt the educational environment. Therefore, the School Board adopts this policy to establish reasonable rules and regulations to authorize students to possess personal electronic devices in school while still ensuring the presence of these devices does not disrupt the educational environment or are used to distract, harass or threaten other students or staff.</p> <p><u>239.1.200 Definitions</u> The following definitions shall apply for purposes of this policy:</p> <p>“Personal Electronic Device” or “PED” is an electronic device that emits an audible or visual signal, displays a text message, visual image or otherwise summons the user of the device in some manner. This definition of this term includes, but is not limited to, CD/DVD/audio cassette tape players, cellular telephones, digital audio players (iPods or MP3 players), digital cameras, digital video recorders, electronic e-mailing devices, laptop computers, pagers, portable game players, radios, smart phones, video cameras or any device that provides a wireless connection to the Internet.</p> <p>“Use” shall mean any of following: (1) carrying or possessing a personal electronic device that is either visible (regardless if it is “on” or “off”) or can be heard; (2) a personal electronic device that emits an audible signal, vibrates, is in “sleep mode,” displays a message or otherwise summons the device user. A personal electronic device in an “off” position and stored out-of-sight in a back-pack, book bag, locker, pocket, purse, vehicle, etc. shall not be deemed “in use.”</p>	<p>Cites relating to this policy:</p>	<p>1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26 27 28 29 30 31 32 33 34 35 36</p>

239.1.400 Loss or Damage to Personal Electronic Devices

Students are solely responsible for safe storage of the personal electronic devices that they choose to bring to school. The School District shall not be liable or responsible for the loss of, theft of or damage to any personal electronic device that a student brings to school, interscholastic athletics events, extracurricular activities or school-sponsored trips or any financial loss stemming from the confiscation of a personal electronic device as a result of a policy violation.

239.1.500 Enforcement of Policy

Building administrators are authorized and required to enforce this policy and any administrative guidelines under this policy.

239.1.600 Penalties for Violation

Building principals, teachers and security personnel are authorized to confiscate a student’s personal electronic device when used in violation of this policy. All confiscated personal electronic devices shall be delivered to the building principal’s office as soon as practical for return to student at the end of school day or the student’s parent/guardian for a second or subsequent offense.

If a student’s personal electronic device is confiscated, school personnel shall not search the contents of the device (i.e. read text messages, review telephone calls log) unless reasonable suspicion exists that the student used the device to commit a violation of a school district policy, the Student Code of Conduct or another type of disciplinary infraction.

School administrators may impose additional disciplinary sanctions against students for policy violations, including suspensions from school or recommendations for expulsion from school as warranted by the facts and circumstances in a particular case.

239.1.700 Development of Administrative Guidelines

The Superintendent of Schools or his designee may develop administrative guidelines to implement this policy. The Superintendent shall ensure that students are made aware of this policy and any
